

SYSTEM COMPONENT PRICING UPDATE

Dear Customer:

Reliable was recently informed of price increases from the following vendors:

<u>Manufacturer</u>	<u>Products</u>	<u>Average % Increase</u>	<u>Effective Date</u>
Anvil	Merit O-lets	3% to 25%	5-6-2019
Anvil	Merit Grooved Shaped Nipples	22% to 35%	5-6-2019
Anvil	Star O-lets	12% to 30%	5-6-2019
Anvil	Star Grooved Shaped Nipples	3% to 4%	5-6-2019

Because of this, Reliable will be adjusting these list prices for all our customers on 5-6-2019. As always, we regret the fact that we must raise our prices, but we do so only as a result of the increases that we receive from our manufacturing partners.

These increases were announced by Anvil and the timing is based on Government Actions that require and immediate increase in price. We have delayed this until the 6th of May, but the action requires us to implement the pricing no later than the announced date.

Please take the time to review your requirements for the products listed above and place an order with us prior to April 29th, 2019 for shipment no later than May 3, 2019. We will not be able to hold pricing or ship product at the old price after May 3, 2019.

Our amended pricing will be posted on the Reliable website at www.reliablesprinkler.com. Please download it from our site.

All of us at Reliable want to thank you for your business and continued support of Reliable's System Components product line.

Sincerely,

Rex Schwendiman
Vice President, System Components
